

St. John Evangelical Lutheran Church

Continuing Resolution 1

The Congregation Council shall have the sole authority to designate the recipients of the monthly special contribution envelopes. The Congregation Council shall make these monthly special contribution envelope designations biannually by simple majority at the regularly scheduled Congregation Council meetings in June and December. Members of the congregation may petition the Congregation Council in order to recommend specific recipients of the monthly special contribution envelopes. Committee liaisons will solicit input from their respective committees in May and November. The Congregation Council shall retain the authority to amend, supersede or otherwise change previously designated recipients of the monthly special contribution envelopes at its discretion by simple majority. In the event that the congregation council opts to amend, supersede or otherwise change a previously designated recipient of a monthly special contribution envelope, the appropriate committee liaisons will inform the effected committees of the change. The congregation council may not amend, supersede or otherwise change the current month's designated recipient of the monthly special giving envelope. The Congregation Council shall publish the designations of the monthly special contribution envelopes.

Approved by the Congregation Council April 14, 2011

Martin Philip, Secretary

Adopted April 14, 2011
